

# FAST FACTS 2024

Carilion Clinic is a nationally recognized health system advancing the health of our communities and the nation through comprehensive patient care, education and research. With a network of seven hospitals, more than 250 physician practices and a range of health and wellness services, Carilion cares for nearly 1 million Virginians and West Virginians. Partnerships with premier institutions like Virginia Tech and Radford University help us train tomorrow's clinicians, discover new treatments and techniques, and enhance patient care.

## Our Service Area

Carilion Clinic serves an approximately 20-county region in central and southwestern Virginia and southern West Virginia.
