Weekday short call begins at 5pm and ends at 8pm. Weekday sign out will occur at 4:45pm and again at 7:45pm. On weekdays, primary IP team will see admissions that get to the floor before 3:30pm for both adult and child. Weekday short call team will see admissions that get to the floor between 3:30pm-6:30pm (adult and child). All new patients should be assessed as they arrive for safety by the team currently on the floor. Also, the team currently on the floor is responsible for putting in admission orders until the call team arrives. **The cap for new admissions on short call is two; however, ECT re-admits are NOT included in this cap.**

Weekday Night Float shift is 8pm-8am, but resident will need to be present for signout at 7:45pm.

Weekend short call begins at 7:45am (signout) and ends at 4pm. Short call resident takes admissions until 4pm. The weekend Overnight/Night Float resident works a 24hr shift from 8am-8am, but will need to arrive at 7:45 AM for sign out.
